Dear Valued Donor,

Thank you for your donation to Love Your Neighbor. We are continuously thankful for donors like you that support our mission. Your donation is allowing us to follow Jesus and bring that posture into the community as well.

Everything we do at Love Your Neighbor has Jesus Christ at the center. Jesus promises transformation through relationships. Here at Love, we gather people and organizations together to build communities and relationships because that's where God's transformation happens.

Each program, each volunteer, each effort is aimed at forming these relationships to make transformation possible. We cannot do this without you and your generosity. Our neighbors, like you, are the reason that we exist. Thank you!

In Christ,
Jodi Cole Meyer/Executive Director
